A Message from the President

Dear AASHP Membership,

Secondary to the inclement weather, we had to cancel the February AASHP meeting on 2/9/10. Therefore, I wanted to let you know that we have rescheduled the meeting at Lexi-Comp for March 9, 2010. Bill Alvarez, Pharm.D., will be presenting. The title is: "Stent Thrombosis-The New Achilles' Heel of Interventional Cardiology: How a Pharmacist can Help in Prevention".

Your candidates for next year's leadership team are listed below. Please expect an opportunity to vote in the near future. Each of these candidates will develop a Bio for your review as you make your decisions. One area we need someone to step up for is president elect. This position will require a three year commitment to AASHP. My personal opinion is that it is one of the most rewarding positions to play within our organization. It offers endless opportunities to contribute to your profession and build relationships with colleagues. The time commitment depends on your role for that year. I personally donate one hour on Fridays to AASHP and have been able to easily keep up with everything. Please contact any of the executive team if you wish to run for President Elect.

President Elect – none
Secretary – Chris Paxos
CE Coordinator – Nichole Thorne
LAC – Michelle George and Melanie Ensley

AASHP will accept scholarship applications from February 15th to April 15th. Our scholarship committee has emailed the application to every College of Pharmacy in Ohio and will announce the scholarship winner at the May meeting. Please let me know if you have any questions about our scholarship.

In closing, thank you for understanding why we had to cancel the February meeting. We look forward to seeing everyone at the March meeting. Please feel free to contact any of your leadership team with questions or a nomination for president elect. We need good people to keep our organization going strong.

Sincerely,
Patrick
AASHP President

A message from the President-Elect

Once again this year, AASHP participated in the Akron Public Schools Science Fair on Saturday, January 30, 2010. Debbie Newberry graciously volunteered a few hours of her Saturday morning to represent AASHP and make few young science students very happy and a few dollars richer. We are hopeful that the winning students will be available to attend our April meeting to discuss their AASHP selected science fair projects and receive their AASHP prize monies. Please join me in thanking Debbie for her time and efforts in our annual Akron Public Schools Science Fair endeavor.

In order for our organization and our members to continue to assist those less fortunate this year, we will be assisting Haven of Rest Ministries with setup, serving and cleanup of dinner on **Saturday, April 24, 2010 and Saturday, May 22, 2010 from 6pm to 8:30pm**. If you are available and would like to volunteer on one or both of these Saturday evenings, please contact me at denglish@neucom.edu or 330-325-6569. These are two more wonderful opportunities to provide a helping hand for those less fortunate than ourselves. Thank you in advance for your thoughtful consideration of volunteering a few hours of your time for Haven of Rest Ministries on behalf of AASHP.

ATTENTION!!!

Due to a delay in the next OSHP Division Day meeting, the nominations period for OSHP awards has been extended to the end of February. Think long and hard about a worthy colleague, technician or pharmacy student/intern you have worked with that has gone the extra mile and deserves recognition! OSHP would like to recognize that individual for their hard work and dedication to the practice of Health-System Pharmacy. It would also be nice to see someone locally from AASHP be recognized at the state level for their hard work and dedication! It is not a hard process to nominate someone. Simply go to the OSHP website (www.ohioshp.org) and click on awards on the main menu. You can read a little about each award and then click on nominate to fill out a brief information sheet for your candidate. Feel free to attach any supporting documents such as a letter of support/recommendation that may give more detailed info about the individual you are nominating! If your nominee is selected, they will be presented with a nice plaque at the OSHP awards banquet along with a free year membership to OSHP!

AASHP also stands to gain from this by not only potentially having an award winner in our midst, recognition from the state, but also a chance to win a little \$\$ as an incentive to nominate. Thanks in advance if you choose to nominate someone.
